

# SAM FULD'S

## ★ ★ T1D SPORTS CAMP ★ ★

Sam Fuld Sports Camp allows young athletes ages 8 through 17, along with a sibling or friend to experience different sports taught by trained coaches all of whom have T1D. Campers choose 3 out of 8 possible sports to either learn for the first time or practice their skills during the weekend. Sports available include: baseball/softball, basketball, tennis, soccer, football, dance, cheerleading, and golf. The program also includes instructions on handling diabetes as an athlete from Pediatric Endocrinologists and athletes and coaches with diabetes, as well as the chance to meet new friends with diabetes. Cost is \$70.00 per camper and the camp will be held February 4 and 5, 2017 at the University of South Florida in Tampa.

# Online Registration for the Sam Fuld's Sports Camp!
